**SUPPORT A GYMNAST**

Support-A-Gymnast is a program created to give each competing gymnast a gift bag filled with memorable goods for participating in one of the most important meets of their young careers.

Your generous donation of \$250.00 will go towards purchasing these memorable goods (meet memorabilia, t-shirts, etc.). Each bag will contain the name of the donor (individual or corporation) with a short note thanking the gymnast for their commitment and dedication to their sport and best wishes in their future endeavors.

Your company will be informed of the gymnasts' name to who your donations will be going to. You will also be informed as to their qualifying status.

We will be looking forward to contacting you in the near future as to your donation. Please feel free to contact us if you have any further questions.

All Donations are Tax Deductible

**Please fill out the information below and attach your contribution**
